REQUEST FOR REISSUE OF NOTICE OF ALLOWANCE

Dear Sir:

Upon review of the U.S. Patent and Trademark Office's on-line Patent Application Information Retrieval (PAIR) system for the above-identified application, applicants' representative has become aware that a Notice of Allowance was issued on about June 23, 2008, but which apparently appears to never have been mailed to applicants' representative nor was received by applicants' representative. In particular, a copy of the Notice of Allowance on the PAIR system does not include a cover page (which

would have included applicants representative's address) nor the Part B – Fee(s) Transmittal letter. A copy of the Notice of Allowance (PTOL-37 and pages 2 and 3) obtained from the PAIR system is filed herewith.

Applicants kindly request reissue and mailing to applicants' representative of a new Notice of Allowance including a cover page and Part B –Fee(s) Transmittal Letter which lists the date of mailing for the new Notice of Allowance and the due date for responding to the Notice of Allowance.

Thank you for your assistance in this matter and we await your reply at your earliest convenience. If you have any questions regarding the above, applicants' representative can be reached at the telephone number below.

Respectfully submitted,

A handwritten signature in black ink, reading "David A. Pascarella". The signature is fluid and cursive, with the first name "David" and last name "Pascarella" clearly legible. It is positioned above a horizontal line.
